

Express Vacuums

SAFE & POWERFUL

PORTABLE. Weighing just 4 pounds, the Atrix Express Plus is one of the lightest portable vacuums available.

CONVENIENT. The Express Vacuum is easy to operate. The replacement cartridge filters install with a snap and without mess. And, an inexpensive two-stage bag/shell filter option is available.

POWERFUL. Atrix has built in a new, powerful motor making the Express Plus as powerful as most of the larger service vacuums.

SAFE. The Express Vacuum comes with an ESD safe hose and ESD safe utensils. The complete system is grounded from the tip of the hose through the end of the power cord.

FILTRATION OPTIONS

BAG & SHELL FILTRATION - Available with either dust or toner bags. Inexpensive option for smaller amounts of toner, drywall dust, or other debris.

STANDARD FILTER WITH A 0.3 MICRON RETENTION - Ideal for soot, pollen, allergens, mold, black toner and most color toner.

HEPA FILTER WITH 99.97% EFFICIENCY AT 0.3 MICRON Uses include very fine dust, color toner, allergens, mold spores, and other ultra fine particulate.
