

## SPECIFICATIONS

### 1502

**Description:** 1.5V/3V/4.5V/6V/9V/12V    0.5A                    Power Supply  
**Input Voltage:**            115VAC            60Hz  
**Environment Temperature:**            25C°

|  | <b>MIN.</b> | <b>TYP.</b> | <b>MAX.</b> | <b>UNIT</b> |
|--|-------------|-------------|-------------|-------------|
| Output Voltage 1.5V                      | 1.3         |             | 1.8         | V           |
| Output Voltage 3V                        | 2.6         |             | 3.4         | V           |
| Output Voltage 4.5V                      | 4.2         |             | 3.4         | V           |
| Output Voltage 6V                        | 5.5         |             | 6.4         | V           |
| Output Voltage 9V                        | 8.5         |             | 9.4         | V           |
| Output Voltage 12V                       | 11.5        |             | 12.5        | V           |
| Output Current                           |             | 0.5         |             | A           |
| Voltage Regulation:                      |             |             |             |             |
| Load (0-100% Load)                       |             |             | 120         | mV          |
| Line (110-130VAC Variation)              |             |             | 300         | mV          |
| Ripple & Noise                           |             |             | 200         | mVp-p       |
| No Load Input Current                    |             |             | 80          | mA          |
| Full Load Input Current (All Rated Load) |             |             | 180         | mA          |
| Fuse 1                                   |             | 2           |             | A           |
| Fuse 2                                   |             | 0.5         |             | A           |

**Dimensions (W X D X H):** 4.33 x 5.51 x 3.27"

**Weight:** 2.43 lbs.

**Operation:**

Plug model 1502 into AC outlet. Turn power switch on, power light will come on.  
 Adjust control knob to desired voltage.
