TorchScope™ Video Recording Flashlight

Ideal for recording all forms of inspections; from law enforcement and security to home and building.

Applications:
- Law Enforcement
- Routine Security Rounds
- Home & Building Inspections
- Underwater Inspections

Features:
- Combines a powerful LED flashlight with a high-definition video recording camera that also takes photos
- Anodized military-grade aerospace aluminum housing, with knurled non-slip grip and rubber overmold
- Saves time-stamped photos and video clips with or without voice annotation to MicroSD card
- LED flashlight can be used separately or to illuminate camera’s field of view
- Entire unit is IP68 waterproof, making it operable under up to 10m (33 ft.) of water
- 1 to 4X zoom control on front panel. Zoom can be applied to photos and to video clips “on the fly” during recording.
- Familiar hierarchical menu for adjusting video and photo resolution, turning date/time stamps on and off, and choosing from among 11 on-screen languages

Specifications:
- Camera Lighting: Three 2-watt LEDs delivering 100, 500 and 1,000 lumens at 50%, 75% and 100% power
- Camera Field of View/Depth of Field: 60°/2.4 in. (60mm) to infinity
- Video Recording Resolution: HD (1280 x 720 pixels) or VGA (640 x 480 pixels)
- Photo Recording Resolution: 5M (2592 x 1944 pixels), 3M (2048 x 1536 pixels), 1M (1280 x 720 pixels) or VGA (640 x 480 pixels)
- Display Size/Resolution: 1.5 in. (38mm) diagonal/QVGA (480 x 240 pixels)
- Languages Supported: English, Spanish, Portuguese, French, German, Italian, Dutch, Polish, Traditional Chinese, Simplified Chinese, Japanese
- Operating Temperature: 32° to 104°F (0° to 40°C)
- Dimensions: 8.88 (L) x 2.2 (Diam.) in. (225 x 55mm)
- Weight: 15.3 oz. (435g)
- Power Source: 3.7V, 4400mAh rechargeable Li-ion battery (included)
- Battery Life: 2 hours @ 1,000 lumens, 3 hours @ 500 lumens while recording, 5 hours recording only

Includes:
- TorchScope™
- Rechargeable Li-ion Battery
- USB Cable
- 4GB MicroSD Memory Card
- Hard plastic carrying case
- User’s Manual
- Warranty
