H222	Protective Holster (Replacement)							D																					
H223	Protective Holster (Replacement)									D																			
Temperature Probes & Accessories																													
TC253A	Temperature Converter			0	0	H	0	H	H	0									0										
TP254	Immersion Temperature Probe w/Handle					23XT 28XT		235	110T																				
TP255	General Purpose Beaded Temperature Probe					23XT 28XT D		235 D	110T D																				
MH101K	Master Probe Handle for Temp. Probes					23XT 28XT		235	110T																				
TP110K	Immersion Temperature Probe Tip					23XT 28XT		235	110T																				
TP120K	Surface Temperature Probe Tip					23XT 28XT		235	110T																				
TP130K	Air/Gas Temperature Probe Tip					23XT 28XT		235	110T																				

- Notes:
- A = Fits meter without holster.
 - B = Larger Case, Fits Meter with Holster
 - C = Not compatible with some instrument firmware features. Consult factory with specific applications
 - D = Originally supplied with instrument.
 - E = One red, one black; Compatible with TL244, TL30, and TL35
 - F = Also compatible with 3000 series and Tech 300 series DMMs shipped after Aug. 1983
 - H = TC253A not needed for models 235, HD110T, 23XT or 28XT which have built-in temperature function
 - J = Not compatible with Model DM10XL.
