

PELICAN PRODUCTS

#1800 Super PeliLite®

Product Description

This 2 C-cell water resistant flashlight is made out of unbreakable ABS material with a hi-impact polycarbonate lens. Its Laser Spot Xenon® lamp module provides 400% more light than ordinary flashlights. Its incredible beam can cut through, smoke, fog, and rain, making it a perfect light source for all applications. Accidental turn on and mechanical switch failure is eliminated because of the rotary on/off switch. The Super PeliLite® is approved for FM, CSA, CENELEC, MSHA, AUS, and UL standards, making the flashlight safe to be used in gaseous or electrical hazardous environments.
