

PELICAN PRODUCTS

#2140 Tracker™

(Pat. No. 402 068)

Product Description

Pelican's new Tracker™ is the handiest pocket light ever made. Submersible to 300 feet and 3 1/2" in length this flashlight attaches to almost anything making it an ideal hands free flashlight. The Tracker™ easily fits into tool/tackle boxes, photographer's equipment travel bags and is perfect for any outdoor activity, scuba diving, home, office, or emergency lighting. The Tracker™ includes 2-AAA cell Energizer® batteries and is available in yellow.
