### **#2300 MityLite® 2AA**

#### **Product Description**

This 2 AA-cell water resistant flashlight is made out of Xenoy® /Polycarbonate unbreakable chemical resistant resin material. Its Focused Laser Spot Xenon® beam is 600% brighter than ordinary personal lights. It's incredible beam can cut through smoke, fog, and rain making it a perfect light source for all applications. Accidental turn on and mechanical switch failure is eliminated because of the rotary on/off switch. The MityLite® 2AA is equipped with a shirt clip and is approved for FM, CSA, CENELEC, MSHA, and UL standards making the flashlight safe to be used in gaseous or electrical hazardous environments.
