

PELICAN PRODUCTS

#2450 Rechargeable StealthLite™ System

Product Description

Pelican's Rechargeable StealthLite™ is a rugged powerful indestructible water resistant flashlight with an unbreakable corrosion proof ABS body and hi-impact polycarbonate lens. Its Laser Spot™ Xenon® lamp module gives an unsurpassed white collimated beam, which can cut through water, smoke, fog, and rain making it a perfect light source for all applications. The state-of-the-art smart charger allows for a fast 3-4 hour charge time while the LED light indicates the charge state of the battery and eliminates overcharging and over heating. The Rechargeable StealthLite™ has a one handed on/off locking switch plus a heavy-duty lanyard and is approved for FM, CSA, and CENELEC standards making the flashlight safe to be used in gaseous or electrical hazardous environments.
