MODEL K5090

Portable milliohm meter.

- 4 terminal input for high accuracy of low resistance
- Measuring Range: 0.1 m Ω to 2000 Ω , 5 ranges
- Large LCD display
- LSI circuitry provides high accuracy, reliability and durability
- Zero adjustment
- Built-in overload protection
- 4-wire with 2 Kelvin clips included
- Dimensions: 6.3 x 4.7 x 3.3"
- Weight: 1.5 lbs
