MODEL KEW2300R

Ideal for use in crowded connection boxes where space is too limited for traditional clamp meters.

- True RMS AC current measurement
- Non-contact voltage function indicates the presence of AC voltage by warning the user with both audible and visual signals
- One-touch zero adjust function
- Auto power-off
- Data hold
- IEC61010-1 Cat. III 300V safety rating
- Includes soft carrying case and batteries

AC/DC Current Range: 0 to 100.0A
Conductor Size: \varnothing 10mm max.
Power Supply: 2 x R03 "AAA" batteries
Dimensions: 161 x 40 x 30mm
Weight: 110g, including batteries
