MODEL PS-9302

This pressure meter accepts 7 interchangeable transducers with ranges up to 5800 psi.

- 8 selectable measuring units: psi, bar, kg/cm², in/Hg, mm/Hg, meter/wc, in/wc and atmosphere
- Accepts 7 interchangeable transducers with ranges of 30, 75, 150, 300, 725, 1450 and 5800 psi (*Transducer sold separately*)
- Push-button transducer selection
- Zero function for offset correction
- Data Hold and Min/Max recall
- Auto power off
- RS232 serial interface
- Options: **SW-U801-WIN** Software, **UPCB-01** RS-232 Cable and **USB-01** USB Cable

Range	30psi	75psi	150psi	300psi	725psi	1450psi

Atmosphere	0.002-1.974	0.005-4.935	0.01-9.87	0.02-19.74	0.05-49.35	0.1-98.7

- PS-9302** Manometer
- PS100-30PSI** Pressure Transducer, 30 psi
- PS100-75PSI** Pressure Transducer, 75 psi
- PS100-150PSI** Pressure Transducer, 150 psi
- PS100-300PSI** Pressure Transducer, 300 psi
- PS100-725PSI** Pressure Transducer, 725 psi
- PS100-1450PSI** Pressure Transducer, 1450 psi
- PS100-5800PSI** Pressure Transducer, 5800 psi
