

## Special Limited Offer: US and Canada Only

# Trade In Your Old MPEG Transport Stream Analyzer and Save 30%

Act Now! Offer Ends December 31, 2009

For a limited time, receive a 30% discount credit off the net price towards the purchase of a new MPEG analyzer, upon trade-in of either a Tektronix or equivalent competitor analyzer.

The trade-in credit will apply to the total cost of the new unit, **including any software or hardware options.**

### Terms and Conditions

- The purchase order must be placed and accepted by December 31, 2009.
- This program is valid only in the US and Canada.
- The trade-in applies to MTS430, MTS415 and MTS400P instruments.
- The trade-in also applies to the MTS4SA, MTS4EA and MTS4CC software tools.
- The discount associated with this program cannot be combined with any other customer discounts that may apply for other purchases.
- Instruments purchased from TekSelect inventory are excluded.
- Accessories are not included in this program.
- Tektronix reserves the right to change or cancel this program at any time.
